Our ONCE A YEAR Big Event
Has a New Name!

What was:
The AHIMA Convention and Exhibit
Is now:
The AHIMA Health Data and Information Conference

AHIMA’s centerpiece event is the AHIMA Convention and Exhibit. Each year, thousands come together to discuss the important topics and trends affecting us all. In response to changes in the industry and times, and inspired by new opportunities at hand, we have made the decision to rename our premier event.

The time is right for this transformation. The word “conference” better describes the learning that takes place over three full days, each year (and longer if you join us at the pre-conference!). Including the words, “Health Data and Information” better describes the industry and space where HIM roles are centered. Educational sessions, networking events, and exhibits remain a part of the conference. In addition, this new name provides greater clarity for individuals who are new to AHIMA, our profession, and the industry.

Mark your calendars and keep an eye open for registration information for AHIMA’s Health Data and Information Conference.

Let’s make 2019 an incredible year for both you and the industry!
SWEET HOME CHICAGO!
(AHIMA’s Hometown)

Early Registration Opens March 2019
Secure your housing now!
September is the best time to walk Chicago’s vibrant streets. Take a few extra days before or after the event to enjoy Chicago’s famed Art Institute, Millennium Park—where kids can run wild among interactive sculptures, the theater district, and shopping on the Magnificent Mile. Oh, and did we mention the food?! For the last two years, a million Condé Nast readers ranked Chicago as the number one city to visit in the United States.*

---
