The ACS Scholars Program awards renewable scholarships to underrepresented minority students majoring in undergraduate chemistry-related disciplines, and are also intending to pursue careers in chemistry-related fields. Selected recipients are awarded up to $5,000* per academic year. To date, over 3,000 students have received a funding from the ACS Scholars Program.

*Number of awards and award amounts are determined by school year, demonstrated financial need, and available funding.

American Chemical Society
SCHOLARS PROGRAM

To be considered for a scholarship through the ACS Scholars Program, candidates must:

• Be a U.S. citizen or a legal permanent resident. Please inquire if you have questions about your specific status eligibility.

• Be African-American/Black, Hispanic/Latino, or American Indian.

• Be a graduating high school senior or college freshman, sophomore or junior. Seniors can apply for their fifth year.

• Intend to major or already major in chemistry, biochemistry, chemical engineering, chemical technology, or another chemistry-related science AND plan to pursue a career in a chemistry-related science field. Student pursuing pre-med, nursing, pharmacy, veterinary careers are not eligible. MD/PhD degree aspirations are, however, eligible.

• Be a full-time student at a high school or accredited college, university, or community college.

• Demonstrate high academic achievement in chemistry or science (GPA 3.0 or higher).

TIMELINE
Completed application and required documents must be submitted by March 1st annually.
