Reflection Today’s Program

God our Maker,

We praise you for the gift of community.

Thank you for the communities in which we work and live. Thank you for the community that is your Body, the Church.

Fill us with Your Spirit today so that, as one, we reflect your light and love to each other and to the world.

Amen

*This prayer was from the Alliance for Catholic Education.
Coletta Barrett, Vice President of Mission
Our Lady of the Lake
Regional Medical Center

Sue Catchings, Chief Executive Officer
Health Centers in Schools
A wholly-owned subsidiary of
Our Lady of the Lake Children’s Hospital

Health Systems and School Systems as Partners
Regional Medical Center

- Vision and Hearing Screening
- Oral Health Program
- Obesity Management and Education

Research

Research shows that school health centers can improve attendance and graduation rates, classroom behavior, school climate, and student and family educational engagement – all of which ultimately contribute to positive school experiences and academic success.

Source: At the Intersection: Connecting Health & Education Data in School-Based Health Centers; National School-Based Health Center Billing and Report Project; School-Based Health Alliance of Michigan. June 2013
One doctor's office visit = up to 6 hours of academic time lost

2012

- 22,522 visits to health center
- Could have lost 202,698 academic hours

2013

- 16,716 visits to health center
- Could have lost 100,296 academic hours

Example of Success

Asthma Program and Camp

Reduced ER admits by 30%

50% decrease in ICU days
Example of Success

Oral Health Program
Significant problem corrected
Boost in self-confidence
Reduce potential bullying

Academic Improvement 2009 – 2014

Students completing Individualized Mental Health Therapy
